1. About Page

Brief Introduction: Who you are, your background (MANGO experience, collaborations)

Your Design Philosophy: Emphasize sustainability and use of AI in your work

Skills & Expertise: Trend analysis, capsule collections, fabric research, cross-cultural design

Visual: Professional photo or creative portrait

Optional: Short video or slideshow showing your design process or travels to fashion capitals

2. Projects Page

How to Organize:

Divide Projects into Clear Sections:

Trend Analysis: Show moodboards, AI-assisted visuals, fabric research, and explain your role in forecasting and sustainability monitoring

Capsule Collections: Highlight your sustainable material choices, workflow, and include a short video if possible

Collaborations: Boglioli, Godo projects with brief descriptions and images

Special Collections: CNY, HOTS markets - mention the 60% sales growth and cultural adaptation work

For Each Project:

Project Title + Date

Short Description: Your role, key achievements, sustainability and AI highlights

Images: Sketches, moodboards, final garments

Optional: Interactive elements like hover-over info or short videos

Additional Tips

Keep navigation simple: Home/About/Projects

Use clear headings and concise text for easy scanning

Add small icons or badges like “Sustainability Focus” or “AI-Enhanced” on relevant projects

Make sure images are high quality and optimized for fast loading

Include contact info or a link to your CV in the About page footer
